

LIFETIME RECOVERY

Intensive
Outpatient
Care (IOP),
& Partial
Hospitalization
(PHP) with
Medication
Management

Treatment

Alcohol and substance support—including opioids, coke, heroin, and more. Our holistic approach promotes recovery and emotional healing in a compassionate and supportive environment

Biosound Healing Therapy

Uses sound & vibration to promote relaxation & reduce stress.

Personalized Group Therapy

Our sessions, conducted by Alcohol and Drug Counselors, provide a safe environment to develop coping strategies, and connect with others on similar journeys.

Life Skills Training

Life skills training with our case manager empowers both young and older adults with tools to navigate everyday challenges.
