- YL HS STUDENT

FOUR PILLARS

Modeling Relational Ministry - Embrace the Lord's call by knowing young people and inviting them into faith and purpose, making disciples who make disciples.

Developing Kingdom Leaders - Establish a courageous culture of life-on-life leadership and development, growing as ministers of the gospel at every level.

Inspiring A Volunteer Movement - Pray for, recruit and equip volunteers who share the life of Jesus, make disciples and inspire others.

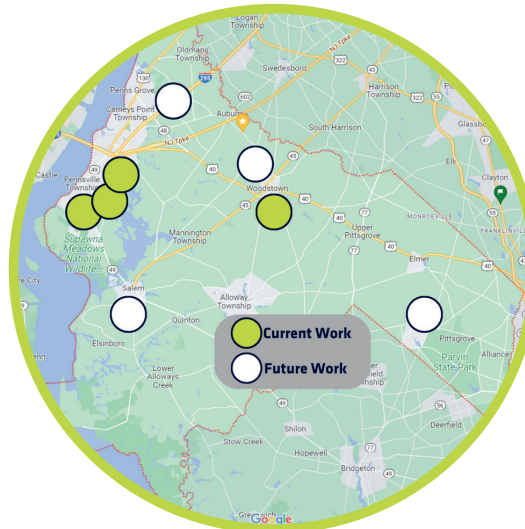

Going Together - Proclaim the wide and welcoming gospel that reveals a joyful, diverse, global community on mission.

OUR METHODS

- Going where kids are and building personal relationships with them.
- Earning the right to share the good news of Jesus Christ.
- Inviting kids to personally respond to the Gospel and walking with them regardless of their response.
- Preparing kids for a lifelong relationship with Christ
- Working in a community alongside like-minded adults.
